This area of the system is where you record the [Sales Contracts](#), [Purchase Contracts](#) and [Fixings](#). This is your day to day place to be on the system.

Sales Contract

This is where you record details of products you are selling to your customers

Purchase Contract

This is where you record details of products you are purchasing from your suppliers

Fixings

This is where you record the dispatch, or shipment, or products both into and out from the business. Referred to as Purchase Fixings and Sales Fixings accordingly
