Create a PO via the Andriod App

If an engineer is authorised to create POs (Set Employee parameters) via the Andriod APP they can create POs by clicking the create PO button.

|		
Vehicle Check	Create PO	My Jobs
Create Expense	My Expenses	Profile
My POs	Previous Jobs	End Day
Previous Vehicle Check	Company Comms	Off-Job
Daily Time Events	Vehicle Accident Report	Public Documents
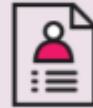

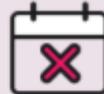

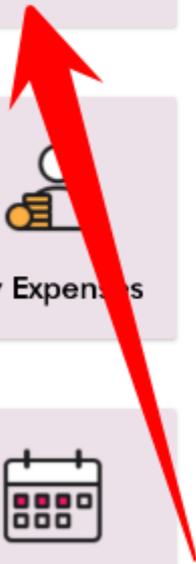

RakataCRM M&E App Version : 4.179

Complete the PO details.

PO Number   22898

PO name

Select Job ⌄

Select Supplier ⌄

Delivery Date 📅

CREATE TRADE PO

Ex-VAT - £   Price EX VAT (£)

Dolibarr Sales Order ID

Dolibarr Sales Order ID

Enter note

Top Tip: Engineers are forced to take a photo of the receipt/note from the supplier in addition to other required fields. This will help when matching the purchase invoice that gets sent from the suppliers.
